Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner informed Applicant's Attorney that independent claim 34 is allowable over prior art of record as it incorporate indicated allowable subject matter. Independent claims 1, 13 and 24 are amended to include limitation of demosaicing operator being derived by defining selected coefficients as being equal to zero. This limitation is shown by Tao col. 5, lines 50-55. Applicant needs to include limitations of claim 5 which recites selected coefficients are higher frequency coefficients. Applicant's Attorney agreed to incorporate limitations of claim 5 in all independent claims by an examiner's amendment..
